

Robinson India takes your privacy seriously and will use your personal data only to provide the products and services you have requested.

Robinson India may process and use your information to provide services to you including customer services and send communications to you about Robinson India or its affiliates' current services, new services or products or trainings and opportunities that may be available to you. Robinson India ensures that the information it collects is processed according to its Privacy Policy.

The data collected is stored across Robinson India networks, databases, servers, systems, support, and help desks located throughout its offices around the world. As a part of Robinson India internal business process, third parties who adhere to technical and organisational measures to ensure protection of your data may process your personal data.

By accessing this website, you are agreeing to your personal information being processed and used as outlined in both this brief Data Privacy Statement and the detailed Privacy Policy. You also acknowledge and approve that your information may be stored and processed on Robinson India networks, databases, servers, systems, support, and help desks located throughout its offices around the globe and that Robinson India may contact you by post, telephone, email, text message and other electronic means.

You have the right to change your personal data or withdraw your consent at any time. Should you wish to do this please send email to legal@robinsonindia.com or post at Robinson India – Water Treatment Services, B-2/337, Dwarka Sec 15, New Delhi - 110078
